JESUS APPEARS TO PAUL

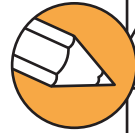

A SUDDEN CHANGE

Saul wasn't Jesus' friend because he thought Jesus had lied about being the Son of God. Because of this, he tried to catch Jesus' followers and stop them from talking about Jesus.

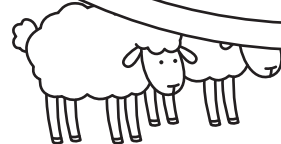

And then ...

One day, Saul was on his way to catch some Jesus' followers and suddenly, a very bright light shone down on the road. And then, Jesus spoke to Saul. He now understood that Jesus had been telling the truth. Saul became Jesus' friend. Jesus changed Saul so much that he even changed his name to Paul!

Are you more like Saul or Paul? Circle one of the names. Flip the sheet and watch the story and see what you think changes.
