SUNDAY 7 JUNE

## JESUS IS...

The way, the truth and the life!

Have you ever been in a giant maze?

They are really good fun, you go in one end and you have to try and find your way out again.

You often hit lots of dead ends on the way and take wrong turns before you eventually find your way out.

I went in one once with a group of friends and one of my friends got through really quickly.

The friend who finished first was cheering us on to get through, but my other friends were shouting too. The problem was that my other friends were still lost in the maze, like me and all I could hear was their voices, but when I listened really hard, I could hear the friend who had finished.

By listening hard and focussing on that voice, I was able to follow their voice and walk towards it and out of the maze.

Jesus is the way, the truth and the life, we need to listen hard for his voice and follow it!
