

MAKING THE MOST OF KINGSGATE ONLINE

As you are aware, last week we moved to online services, and we are continuing to work hard at developing ways to maximise everyone's engagement. Here are a few pointers that we hope will help you make the most of KingsGate online services in this season.

There are **two ways to join in** with our online services on Sundays:

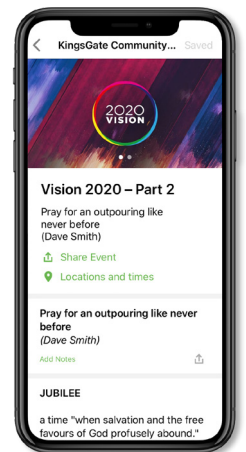

If you join services through the KingsGate website, from this Sunday each service will have one of our Associate Pastors hosting a Live Chat which you can join in with if you'd like to. By joining us through the KingsGate website, you will also be able to request prayer so that we can be praying for any needs that you or those close to you may have at this time.

GETTING THE MOST OUT OF THE TALK

To help you engage with the talk each Sunday, we're continuing to provide notes through the YouVersion bible app. You can download YouVersion by going to **bible.com/app** on your mobile device, then you can access our notes every Sunday as follows:

- Open the YouVersion app
- Go to 'More'
- Go to 'Events'
- Search 'KingsGate'
- Select the KingsGate Online notes that appear
- Make notes throughout the talk
- Don't forget to 'Save' when you've finished making your notes (these notes will then continue to be accessible in your 'Saved Events' on YouVersion)

If you join our online services through the KingsGate website and would prefer to track along with notes there, you'll be able to see the talk notes alongside the online service video.

GIVING

If you're part of the KingsGate family, you may want to set up a standing order to help you continue in your regular giving of tithes and offerings. To set up a standing order, visit **kingsgate.church/giving** and select the Centre that you're a part of.

KINGSGATE KIDS

We're providing activities including teaching, craft ideas, activities, videos, worship songs and recommendations for apps and further resources which we hope will be really enjoyable for children. We'd encourage you to check out what's available and download or set up these activities ahead of our Sunday services each week - you can do so by visiting **kingsgate.church/kids**

KINGSGATE YOUTH

Our Youth Team are hosting an online Youth Service every Friday at 7:30pm, are meeting together in LifeGroups throughout the week using online video technology, and we are also encouraging all young people in school years 7-12 to fully engage with the KingsGate Online Sunday services. Further information and updates about how to access what's on offer for young people in this season, visit kingsgate.church/youth

STAYING CONNECTED BEYOND SUNDAYS - JOIN A LIFEGROUP

As well as our online services, we know it's as important as ever to stay connected with one another. Our LifeGroups are continuing to meet through online video technology so if you're not yet part of a LifeGroup, you can join one by visiting kingsgate.church/lifegroups. Alternatively, how about getting together with a couple of others who aren't currently in a group by emailing pastoraladmin@kingsgate.church and we will give you all you need to get started.
