## LET'S TALK

The ladies in your life look after you REALLY well, don't they?

How does it feel to be loved by them?

There must be lots of ways that your mum or female caregiver shows that she loves you, so have a think and then tell her the different ways she shows that she loves you.

Make her glad by being thankful for all she does for you!

Can you think of ways that you can show your mum that you love her?

How about:

- Saying 'I love you'.
- Doing something nice for your mum (what could you do?)
- Spending time doing something with your mum that you both like (how about playing a game, watching TV, baking biscuits?)
- Making a present for your mum.
- Giving your mum a big hug and/or a kiss.

## MEMORY VERSE

### Proverbs 31:31a

"Honour her  
for all that her  
hands have  
done."

New International Version

## MOTHER'S DAY

We are  
celebrating  
Mother's Day  
today.

The women in  
our lives are  
amazing!

Print this page and colour the  
picture for your mum 😊

## COLOURING PICTURE

## CRAFT TIME!

How about using your

**KingsGate Kids Kit**

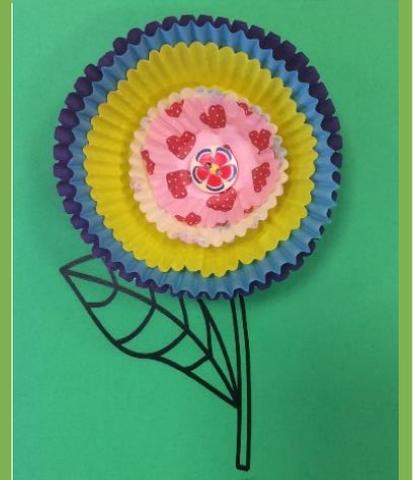

to make a flower picture for your mum?

## CAKE CASE FLOWER

The extra things you will need for this picture are some cake cases and a button.

Stick a few cake cases on top of each other and add a button to make the middle of your flower.

Ask for help to draw a flower stem and leaf on a piece of paper or card and then stick on your flower to finish your special creation.

## EGG BOX FLOWER POSY

The extra things you will need for this posy picture are an egg box, some buttons and also a piece of ribbon (if you have some).

Ask for help by an adult to cut the cardboard flowers from the egg carton and then paint them (or use some felt pens).

Glue a button in the bottom of each flower and then stick them on a piece of paper or card.

Draw the flower stalks and stick a piece of ribbon on to complete your masterpiece.

## PRAYER AND PRAISE

**Pray** for your mum/caregiver. Think of the things about her that you can say 'Thank you' to God for, and also to pray for her to know God's love in a special way today.

You may also like to pray this prayer with your family:

*"Thank you, God, for all the people who love us and look after us. Help me to show my mum that I love her today, tomorrow, the next day and always! Thank you that your hands are big enough to hold me, our family and everyone in the world. Thank you that we can trust you to keep us safe. Amen"*

How about singing along together to this action song to **praise** God, to remember that He holds us and everything in His hands 😊 <https://www.youtube.com/watch?v=fhhyKdd3Drk>
