

Each one of you should give what you have decided in your heart to give. You should not give if it makes you unhappy or if you feel forced to give. God loves those who are happy to give.

2 Corinthians 9:7

The bible also teaches us to give God 10% of all that we earn or are given, that is called our tithe.

Can you work out what your tithe might be on these different amounts and use coins and rub over them to show the amount you could tithe? Remember, it needs to be 10%.

If you had £2, how much would you tithe?

If you had £10 how much would you tithe?

If you had 40p how much would you tithe?
