## Talk Time!

Do you love to receive gifts? I love getting gifts, it's so exciting to look on the tag and see it is for you, then tear open the wrapping to find the treat inside. Maybe something you have always wished for, or something you really need. Think about the best gift you ever received.

Well, gifts come in all shapes and sizes, especially gifts that come from God. Some of the gifts that God gives us are people shaped! God gives us special people. Your mum or the grown ups who care for you are those special gifts from God. They are more precious than any gift you have been given for a birthday or Christmas.

Today we are thanking God for our mums and the gift that they are to us. Our mums and carers do so much for us don't they? Let's not forget to appreciate them today for all they do for us and all they are to us. Our memory verse today reminds us that we need to honour our mums.

## Activity Time!

Why not write mum a letter, or card, telling her how much she means to you? You could write her a poem, or some special words. Here are a couple of ideas you could use;

My mum, she's the best,  
From her head to her toes!  
She's warm and she's soft,  
And smells as sweet as a rose.

When God created mothers,  
All as lovely as can be,  
He made one extra special,  
And saved her just for me!

## Response and Prayer Time!

Mums and people who care for us are special gifts that God has given us. Why not make a list of the things mum does for you that you are thankful for today. Maybe spend some time thanking God for each of those things that God has provided for you through your mum or carer.

Now think about things that you do for your mum or carer and the gift that you are to them.... Are there any ways that you need to improve or try a bit harder?

Let's Pray ;

Thank you God for the human shaped gift you have given us in our Mums and for people who care for us, thank you for the love they show us and all the different ways that they help us. Please God help me to remember to appreciate them, not just today, but every day. Help me to be a good gift to others too in the words I say and the actions I show, Amen.
